

Ings Farm Caravan & Motorhome CL Site Directions

1. From all directions A16 (Louth bypass).
2. Take A157 East towards Manby for half a mile. At the bottom of the hill, carry straight on over the roundabout and follow B1200 signposted Manby.
3. After 3 miles, in the village of Manby, turn left at the traffic lights (next to Co-Op) signposted Grimoldby. Follow the road, Tinkle Street, for 1.4 miles to South Cockerington. At the staggered crossroads turn right towards North and South Somercotes (Marsh Lane).
4. Follow Marsh Lane for 4.7 miles via South Somercotes, passing St Peters Church on your right hand side, follow the road round the double bends onto Billings Gate for ½ mile.
5. At the Junction turn right onto South Road. Follow the road for 2 miles passing St Botolph's church on your left. You will see the Old Rectory house also on your left - prepare to slow down before the small bridge (there is a ridge on this bridge). After the bridge, keep slow and prepare to take the next right into Saddleback Road.
6. Turn right into Saddleback Road take the next turn on your right, after 100 meters, just after "The Grange" house on your right. This small lane is a "No Through Road". Follow Ings Lane to the end and you will see the CL site on your right.

Notes:

The site can be found down a small lane "Ings Lane" which is a small tarmac lane leading from the East end of Saddleback Road. The lane is sited next to "The Grange". If using "what3words" the location is: <https://w3w.co/wisdom.twitching.apple>.

We have recently changed the directions to Ings Farm CL Site. Since the drought of 2022 Saddleback Road is now in very poor condition with dips and troughs. So we are now recommending the slightly longer route (8 miles from Manby) until such time as the road is repaired.

This map shows recommended directions from the Co-op in Manby.
